

Your life counts!

You matter!

Basic protective measures against the new corona virus:

- Wash your hands frequently!
- Maintain at least 1 metre (3 feet) distance between yourself and others
- Don't touch your nose, eyes or mouth!
- Cover your mouth and nose with your bent elbow or a tissue when you cough or sneeze (afterwards discard tissue immediately)!

Do you feel ill?

Contact your GP via telephone or call ambulatorium suchthilfe wien (01/4000-53760)

Do you think you have the corona virus?*

Go home and dial 1450.

If you don't have a home let 1450 know immediately.

*What signs should you watch for in you or someone you live with? a) symptoms: fever, cough, throat pain, shortness of breath, trouble breathing AND b) have you/they had any direct contact with an infected person in the past 14 days? OR c) have you/they travelled to a risk area.

Please look after yourself and respect the guidelines which protect you from an infection.
